

SHEIKHA

SHAPING THE FUTURE OF GIRLS

Dear Parents & Future Aspirants,

Nestled in the peaceful hills of Vavad, near Thamarassery, where nature whispers tranquility and the skies inspire dreams, Sheikha Science Institute stands as a beacon of love, purpose, and a steadfast belief in empowering women through education and values. At Sheikha, we believe every girl holds a dream—whether to heal, discover, or serve. No dream should ever be compromised. That belief led to the founding of Kerala's premier girls-only residential institution, offering Plus One Integrated Science Programs with NEET preparation and a dedicated NEET Repeaters Batch. Here, education is beautifully blended with moral studies and Medico-Islamic jurisprudence, nurturing minds that are both intellectually sharp and ethically grounded. On our sprawling 4-acre eco-friendly campus, Sheikha offers an environment of sisterhood, expert mentorship, and the calm of a hill-station retreat—focused, nurturing, and spiritually uplifting. More than a syllabus, Sheikha provides purpose, safety, and the foundation for a confident future. To every girl aspiring to wear a white coat, explore the lab, or serve humanity through science—we say: This is your time. This is your place. And we are here to support your journey.

With faith, vision, and dedication

Empowering Future Leaders

In today's fast-paced world, we strive to create an environment where academic excellence goes hand in hand with strong Islamic values. Our NEET-integrated programs and Repeaters Courses provide a challenging yet supportive academic framework that fosters both intellectual and personal growth.

Students at Sheikha are guided not only to achieve academic success but also to uphold the highest ethical standards. With a proven track record of students excelling in top medical colleges across Kerala, we are committed to shaping women who lead with integrity, purpose, and excellence—prepared to make a lasting impact in their professions and communities.

Vision

To empower the next generation of female professionals with knowledge, skills, and a strong moral foundation rooted in Islamic principles. Our vision is to shape leaders who contribute meaningfully to society, fulfilling the growing need for ethical and capable professionals who inspire positive change and drive progress within their communities and beyond.

Mission

We provide a supportive, academically challenging environment where creativity, character, and excellence are central. By trusting in their abilities and future, we empower women to become leaders with integrity, guided by dedicated faculty and visionary management to make meaningful contributions to society.
